**Create an Account**

Create a parent/guardian account that allows you to view all of your students with one login account. You can also manage your account preferences. [Learn more.](#)

Login with the username and password you created.

The first thing you will notice is in the upper left are tabs for all students linked to this account. You can navigate between student records by clicking on the student's name.

The screenshot shows the PowerSchool Parent Portal interface. At the top, there is a navigation bar with the PowerSchool logo and several icons for different sections: Grades and Attendance, Grade History, Attendance History, Email Notification, Teacher Comments, School Bulletin, Class Registration, Balance, My Calendars, and Account Preferences. Below the navigation bar, there are two tabs: 'Nathaniel' (selected) and 'Standards Grades'. The main content area is titled 'Grades and Attendance' and contains a table with columns for 'Exp', 'Last Week', 'This Week', 'Course', 'Q1', 'Q2', 'S1', 'Absences', and 'Tardies'. The table lists several courses for student Nathaniel, including Government, Spanish 1, Chemistry 1, Phys Ed 11, Drawing and Design, and English 2. The 'Attendance Totals' row shows 0 absences and 0 tardies.

**What information would you like to receive?**

Summary of current grades and attendance

Detailed reports showing all assignment scores for each class

Detailed report of attendance

School announcements

Balance Alert (Note: Will only be sent when a student is low on funds.)

**How often?**

**Email Address**

**Additional Email Addresses**   
(separate multiple email addresses with commas)

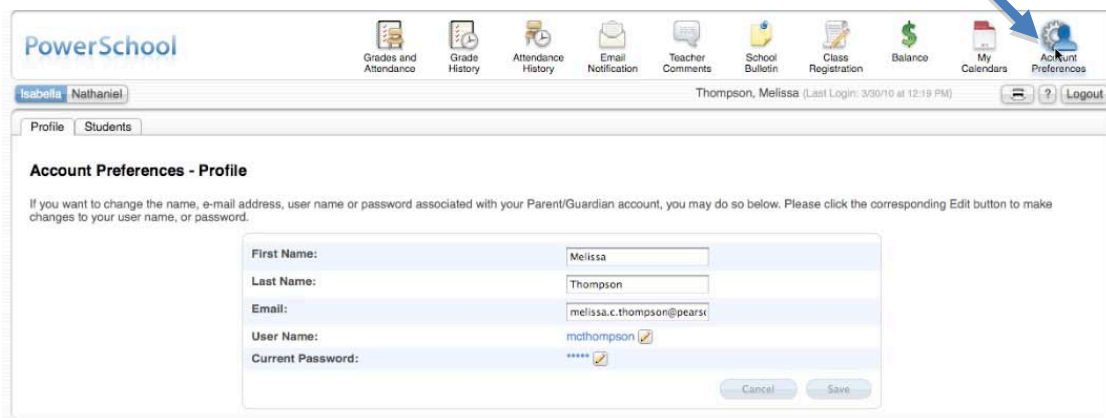

Apply these settings to all your students?

Send now for Nathaniel?

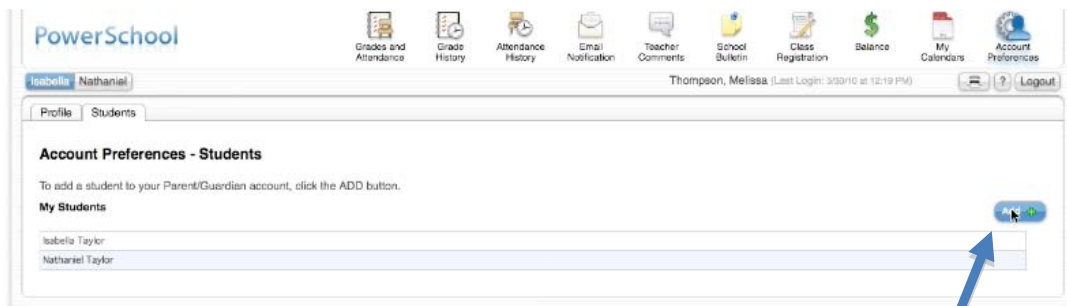

Under Email Notifications you have many of the same options but you are able to set your preferences differently for each of your students or the same for all.

You can have additional email addresses that information may be sent to,

A new option has been added called Account Preferences.

Parents can manage their own account information. You can change names, email addresses, usernames, and passwords.

The student tab shows your students in a list. You can also add additional students from this screen. Click on add and the add students screen opens. This screen works the same as the first set up screen used.
